

Banco de Contenidos Aula Planeta

Banco de Contenidos Aula Planeta is the upper-level Spanish language database intended for high school students through adult learners. The resource is perfect for use alongside World Book Student and World Book Advanced as an English/Spanish supplementary resource.

KEY FEATURES:

- Highly visual articles written at an advanced Spanish reading level.
- Cronología, allows users to develop a historical perspective through interactive research.
- The Cuerpo Humano feature allows users to discover definitions and a wealth of multimedia resources centered around the human body.
- The statistics resource, Estadísticas, allows researchers to find world or regional statistics organized by country or variable.
- Intuitive search options allow easy navigation of the more than 170,000 resources: articles, images, videos, and more.
